

Show You The Cross

Verse 1

If you've been abandoned
By the ones you trust the most
And you've built a wall around your heart
To make sure no one else gets close
I could fill the air with empty words
And hope that they would work
But nothing I could say
Would change the way you hurt
So I won't say another word

Chorus

I'll show you the cross
With Jesus lifted high
I'll show you the grave
Where death was left behind
I'll show you a Savior
Who paid the highest cost
Show me all your scars
And I'll show you the cross

Verse 2

If you're on the outside
Angry and lookin' in
You don't believe that grace could reach you
In the places you have been
If all you know of truth and love
Are lies and hypocrites
Then nothing I could say would change the way it is
The only thing that I can do is this

Bridge

Come as you are
Come as you are
Broken and bleeding
Come as you are

Come as you are
Find what you're needin'
Come as you are
Come as you are
If you don't believe it
Down
