This great campground facility has a lake (Watchaug Pond), great for canoeing, fishing, and waterskiing... it even has a Boat Launch Ramp. During LRC family camp weekend you can make plans with fellow LRC-ers... go to the campground arcade, or playground, swim at the freshwater beach, rent a canoe or hike one of the trails. The Kimball Wildlife Sanctuary abuts Burlingame State Park and some of the marked trails lead from the campground to the sanctuary, where rangers offer nature walks. Bring your bikes, skateboards, and rip-sticks to ride on the paved roads between sites....

There's also great stuff to do off-site, as Burlingame is practically right across the street from EastBeach, with big ocean waves—great body-surfing & boogie boarding. At nearby Misquamicut in Westerly, there's a water-slide, amusement rides, mini golf, ice cream and restaurants, etc. This area also has great shopping and picturesque scenery.

Got a guitar? --bring it along for some acoustic worship time around the campfire...bring your lawn-chairs. Pastor Ryan might even offer an evening sermon on Saturday night... more info on that to come. It's going to be a great weekend, and we hope you can join us!!
