

News from Bolivia

May 2010

Dear Church,

The grace of our Lord be with you all. We are very thankful to our Lord for all of HIS GREAT LOVE that we recently witnessed in the United States, His great love was expressed to us and continues to be shown through all of you towards Bolivia. We were able, through the generosity of you all, to go to the graduation of our daughter Deborah, she has been studying the Bible in VA. We were so blessed and honored with the presence of our pastors, here in Bolivia, Pastors Dave and Patty Dillon.

We give a special thanks to the School of the Prophets in Blue Ridge Bible College for giving my daughter a second home.

We also had the opportunity and honor to visit our covenant family at the Living Rock Church, where they treated "Benjamin". In other words they so blessed us. We want thank pastors Ryan and Dale Young and the Chittenden family along with the rest of the Living Rock Church, all of you marked our lives and we will never forget you.

On the 27th of May, Bolivia celebrated Mother's Day. We had a great celebration. The house of God was full of children; young people and children had prepared special numbers with dances, verses from the Bible were recited and there was lots of food and fun. There were so many new people there, and our Lord Jesus Christ was exalted.

The church in Tapacari is excited to let you know that three new people have converted to Christ.

The church in Cultani also has two new people.

We thank the Lord that the kingdom of God is advancing.

Thank you for all your prayers and support.

We love you.

Dante and Mary.
